

Login to your MyParadise | Pooch app (available in the Apple App Store or Google Play Store).

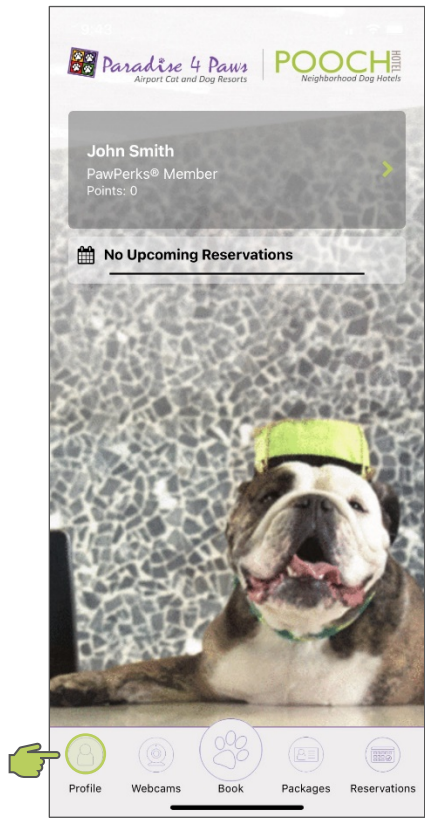

If you have never logged in before, enter the email address you received the notice and click 'Forgot Password?' to get started.

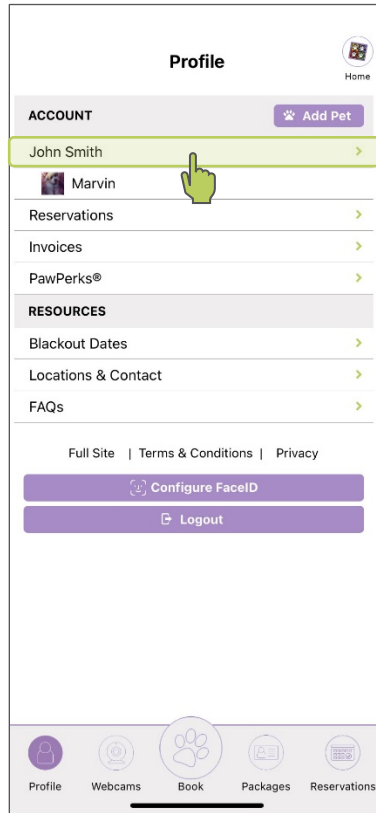

Login information for the mobile app is the same as the regular website.

From the Home Screen, click on Profile.

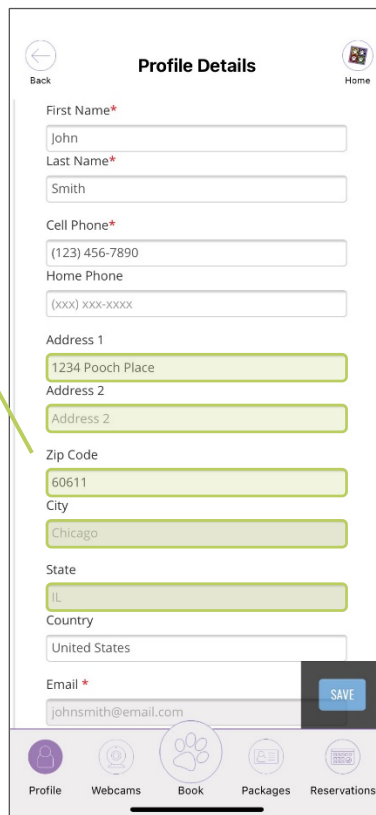

Under Account, click on your name.

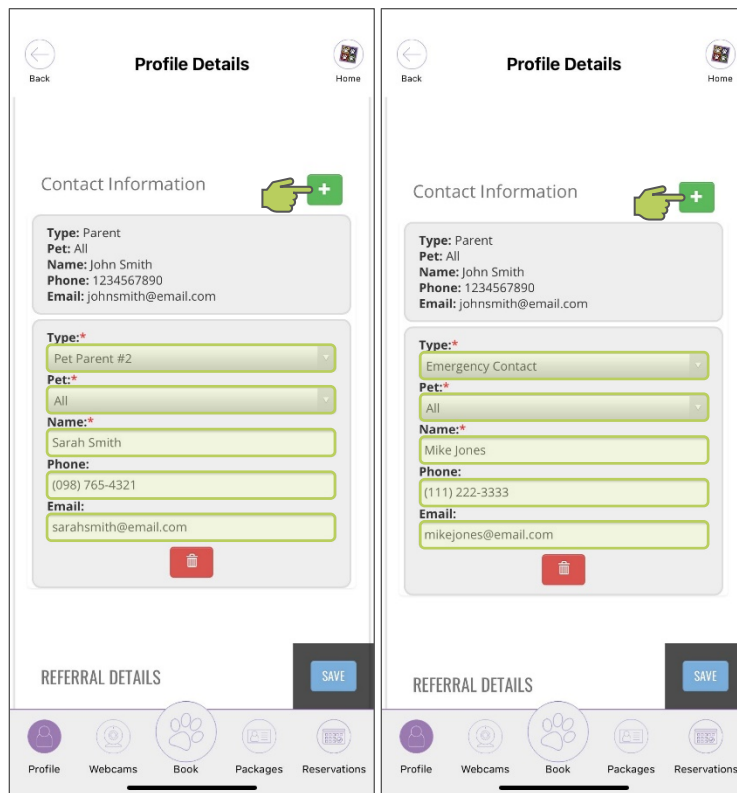

Under Parent Details, add/update your address.

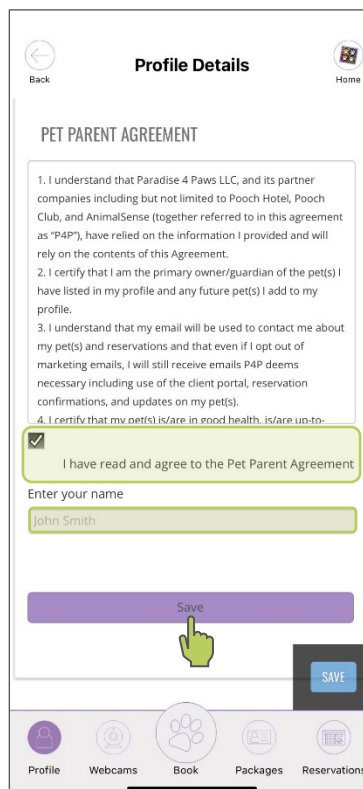

Entering your Zip Code will automatically populate your City and State fields.

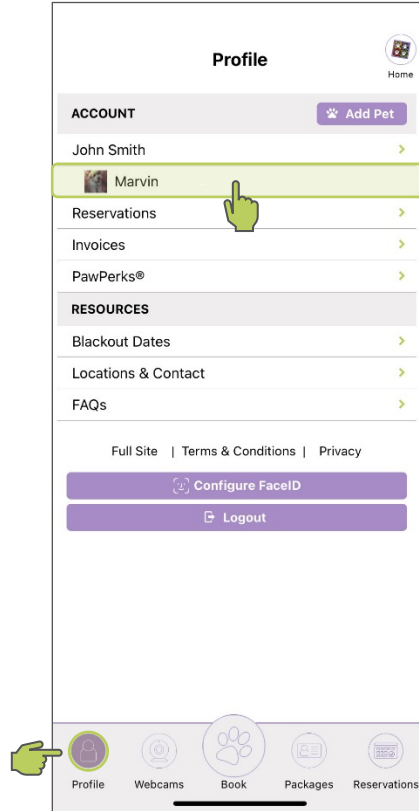

Scroll down to Contact Information to add/update Pet Parent #2 and/or Emergency Contacts. To add a contact, click the green '+' button.

Scroll down to the Pet Parent Agreement. Please be sure to read through the agreement, check the box and enter your name below if you haven't already. Click Save.

Go back to your Profile and click your pet's name.

Under General Details, add/update your pet's DOB, Breed and Weight. Click Save.

*If you don't know the exact DOB for an older rescue, you can use your adoption date for month/day.*
